Rationality is the only
goodness. Come and
talk about goodness
without God.

Don't worry about
which religious
soapbox to stand
on - use your own.

We aim to provide support and encouragement for
developing goodness without god within a broad
social context.

We meet in Newport most second Tuesdays in the
month at 7.00 p.m.

Everyone is welcome to attend our meetings. We
discuss topics of local, national and philosophical
interest. Our meetings are advertised in the County
Press on the Friday before the meeting is held.

Phone 01983 472189.
