

IW Humanists

IW Humanists and Secularists

Rationality is the only
goodness. Come and
talk about goodness
without god.

Don't worry about
which religious
soap-box to stand
on - use your own.

We aim to provide support and encouragement for
developing goodness without god within a broad
social context.

We meet in Newport most second Tuesdays of the
month at 7.30 p.m.

Everyone is welcome to attend our meetings. We
discuss topics of local, national and philosophical
interest. Our meetings are advertised in the
County Press on the Friday before the meeting is
held. Phone 01983 472189.
