Dry Eye Customer Journey Optoms, CLO's and DO's

Dry Eye Customer Journey is a peer discussion for Optometrists, Contact Lens Opticians and Dispensing Opticians. Four case records involving signs and symptoms of dry eye will be discussed. The aim of the discussion is to enhance the understanding of recognising the symptoms and signs of dry eye at every stage of the patient journey through the practice for both contact lens and spectacle wearers and how to implement the most appropriate course of management to meet the patient's needs.

The peer discussion is accredited for DO's, CLO's and Optometrists, the competencies covered are contact lenses and communication for CLO's and Optoms and for DO's communication and ocular abnormalities.

**6.30pm Thursday 9th July 2015
Quay Arts Centre, IW, PO30 5BW**
