

Tuesday 19th February, 7pm
Riverside Centre, Newport

David Bodrell

Reality or Hallucination?

David Bodrell, IW Humanists

We take our reality, and our perception of self, for granted. But are we hallucinating?

Understanding the biological basis of conscious experience is one of the great challenges of 21st century science.

David will explore these topics drawing upon the work of Anil Seth, Professor of Cognitive and Computational Neuroscience at the University of Sussex.

Everyone welcome!
