Rationality is the only goodness. Come and talk about goodness without God.

Don't worry about which religious soapbox to stand on - use your own.

We aim to provide support and encouragement for developing goodness without god within a broad social context.

We meet in Newport most second Tuesdays in the month at 7.00 p.m.

Everyone is welcome to attend our meetings. We discuss topics of local, national and philosophical interest. Our meetings are advertised in the County Press on the Friday before the meeting is held.
