**Humanist Pastoral Support: caring for the
non-religious at a time of crisis**

Simon O'Donoghue is the Director of Humanist Care at Humanists UK, and he grows, accredits, and manages a UK wide network of carers who provide non-religious support as part of healthcare and prison chaplaincy teams.

He will be talking about some of the challenges and successes that have occurred since the inception of the Non-Religious Pastoral Support Network, and provide information about how you can get involved with Humanists UK's accreditation programme.
